

DRINK STRATEGY

THE LOVERS DAIQUIRI

60 ml The Lovers Rum
30 ml Fresh Lime Juice
2 tsp Sugar Cane

The Daiquiri is a perfection in a glass. An 'all-occasion' cocktail that fits to every situation, from a party to a pre-dinner drink. It is deceptively simple. The art lies in balancing the four taste cornerstones that build a cocktail's flavour: Strong, sour, sweet & weak.

“Never use lemon juice. And Remember please, that a too sweet Daiquiri is like a lovely lady with too much perfume” -

Charles H. Baker Jr.
